American Journal of Public Health
INDEX TO VOLUME 71, JANUARY–DECEMBER, 1981

Author Index

The author index contains all authors' names, listed alphabetically, with the pagination of entries following the name. Abbreviations designate the type of entry.

a = article	err = erratum
br = public health brief	his = public health then and now
com = commentary	law = public health and the law
dv = different views	ltr = letter to the editor
e = editorial	s = supplement

Subject Index

This is an alphabetical list by subject. However, some entries are listed under more than one subject heading if applicable. The **JOURNAL DEPARTMENTS, ASSOCIATION NEWS,** etc., are listed under their own headings in the subject index with pagination showing their positions in the volume. **EDITORIALS, PUBLIC HEALTH AND THE LAW, PUBLIC HEALTH THEN AND NOW, LETTERS TO THE EDITOR, COMMENTARIES, SUPPLEMENT** and **DIFFERENT VIEWS** are listed alphabetically by title under these section headings, and under applicable subject headings.
